Traffic Pattern Changes at the New Jersey Avenue NW and New York Avenue NW Intersection on or about November 10, 2020

(Washington, DC) - The District Department of Transportation (DDOT) advises motorists to expect traffic pattern changes at the **New Jersey Avenue NW and New York Avenue NW intersection beginning on or about November 10, 2020.**

This traffic pattern change is the final phase of the traffic configuration to convert New Jersey Avenue NW from its current one-way configuration to two-way operations. The following changes will be in place and are further exhibited in the graphics below:

- New Jersey Avenue NW southbound traffic north of New York Avenue NW, will be able to continue south across New York Avenue NW towards K Street NW. Eastbound New York Avenue NW traffic will be able to make a right turn onto southbound New Jersey Avenue NW towards K Street NW.
