## Temporary Lane Closures Coming to New York Ave NW between First Street and Fourth Street Starting July 13

(Washington, DC) - The District Department of Transportation (DDOT) is scheduled to temporarily close single lanes of traffic on New York Avenue NW between First Street NW and Fourth Street NW starting on or about Saturday, July 13, 2019, weather permitting. The closures and restrictions are needed for traffic signal work as a part of the Safety Improvements on New Jersey Avenue NW project. This work is expected to take one week to complete.

The temporary lane closures will occur during off-peak hours, 9:30am to 3:30pm, Monday through Friday. Saturday work may also take place between 8:00am and 5:00pm. At least two lanes will be open to the traffic in each direction at all times.

Traffic controls will be in place to guide motorists through the work zone area safely. Motorists should anticipate delays due to the lane closures. Drivers are advised to stay alert while traveling to this location and to be observant of road work crews.

For more information about the New Jersey Avenue NW project and to stay up-to-date on traffic-related impacts and construction progress, please visit [www.newjerseyaverehab.com](http://www.newjerseyaverehab.com).

###

The mission of the District Department of Transportation (DDOT) is to enhance the quality of life for District residents and visitors by ensuring that people, goods, and information move efficiently and safely with minimal adverse impact on residents and the environment.
